

## Week Without Violence 2021 Grant: Frequently Asked Questions

---

1. Does past grant funding impact eligibility for the WWV grant.
  - Past awardees are eligible to apply. Questions regarding previous awards are for informational purposes and will not disqualify the applicant.
2. Is the grant term October 15, 2021-January 31, 2022, or if it was a longer term?
  - The spending term has been extended from January 31, 2022 to April 29, 2022.
3. When will funds be disbursed?
  - Funds will be disbursed no later than October 29, 2021. If there are any changes, grant awardees will be notified.
4. What type of programs/projects are eligible for the WWV Grant?
  - Gender-based violence outreach programs, temporary and transitional housing, emergency shelter, or client assistance.
  - Please provide sufficient detail in the application as to how the program/project supports gender-based violence survivors at your association and how COVID-19 has impacted the program/project.
5. Can the grant funds be used for pre-existing services, or can the funds be used for newly developed programs/projects/services?
  - The funds must be used to support existing gender-based violence programs/projects that have been impacted by COVID-19.
6. The RFP mentioned that only one program will be funded by this grant per YWCA location. Does this mean that we can only fund one program/project or DV services?
  - Only one \$40,000 grant will be awarded per association. The association can use the funds to support the programs/projects outlined in their application.
